“ TESTIMONIAL

I cannot begin to thank you for all of the incredible work you've done for Meta Elevate & Business Equity over the last year. You are the true definition of an Equity Champion. As a team, we are better because of you. Thank you for redefining what it means to show up as your whole self. It made a profound difference in how we show up, advocate & directly impact the Black & Latinx communities we are committed to serving.
